The City of Dawsonville issues the festival permit to KARE for Kids, Inc. and we are governed by their standards and restrictions. These changes are in accordance with our permit and will be strictly enforced. KARE feels these are growing pains toward an enhanced festival area and better facilities in the very near future.

KARE for Kids is a non-profit organization that assists needy children in Dawson County. We are all volunteers that work year round on this event as well as our regular jobs and families. I speak for everyone in thanking you in advance for your understanding and patience as we see this as progress to an improved area, facilities, and event. Please feel free to call 706-216-KARE with questions.

Thank you in advance for your anticipated cooperation and very successful event for all of us!

Regards,

Rhonda Goodwin, Interim President
